Closed trailer for agility equipment storage/new equipment? We are interested in purchasing a used closed trailer, at least 12 feet long, to store and haul agility equipment. No new report.

2010 Herding trial report – Trial was a success. Made \$268.

Name/identity discussion – Discussion of the different names our club uses. Anyone who has input on this please email Linda Redfield.

- Results of poll re pig roast at Labor Day trial – 61 percent of those voting were against having the pig roast. While the food is wonderful, the timing on Saturday evening made it hard for members to attend. Some people would go home to take care of dogs and have a long drive back. Staying made for very long day. There was a concern that too many non-members may not have known about it. Our thanks to Ellen for giving it a try.

**New Business:**

Point Dog Park – Our club is being recognized as a major donor on a plaque. All club members are invited to attend the grand opening on June 26 at 9:30 a.m., with ribbon cutting at 10. For more information, go to the Point Dog Park FaceBook site.

Pawty in the Park – A community event to benefit the Humane Society of Portage County, in Piffner Pioneer Park in Stevens Point, with a 1.5 mile walk at 11:00 a.m. and pet fashion show and and costume contest at 12:30. We are looking for volunteers for an agility demo at Pawty in the Park on Sunday. Anyone interested should contact Laurie. For more information go to <http://www.hspcwi.org/site/>.
