Classes (Kris Punke)

Obedience Classes are currently in session. We have 9 in Basic Obedience. There is no Puppy Class due to low enrollment and 1 puppy was moved up to the Basic Class. Obedience is meeting on Tuesday nights at 7 p.m. Clay's Agility classes have three more sessions and will end the beginning of May. Terese has agreed to teach another beginning agility class which will mostly likely start after Memorial Day.

VerJean (on behalf of Chris Gilbreath) asked if someone would be interested in teaching a Rally Class. If you are interested in teaching a Rally Class, please contact Kris Punke or Laurie Bandy

Tracking Seminar

There are currently 5 participants signed up all of which are members. Terry Brimmer offered to take flyers to area Pet Shops. Kris Punke offered to fax a flyer to the area vet clinics as well.

2006 AKC Obedience Show (Chris Gilbreath)

3 Judges have been hired. Chris was looking for a Trial Secretary and asked if she could hire Jim Hardin. The board agreed that would fine. She also asked if we could have Novice A title ribbons. Chris or Laurie will order them. She also thinks we should get a Rally Judge, Laurie agreed.

Upcoming Bills

Laurie told VerJean that she figured out what has to be paid in the next few months and that she had her permission to transfer some money from savings to cover it. Building rent & taxes are coming due again.

Labor Day Agility Show

The other club has agreed to switch days and Ellen Hardin sent them a thank you letter. We are approved for all three days. We will have this weekend every year whether it falls on Labor Day weekend or not. Most of the time this weekend will fall on Labor Day, but there will be a couple years when it won't. We are doing this so we don't lose that date again.

The meeting was adjourned.
Respectfully submitted,
Kris Punke, Secretary

UKC Agility and Obedience Trial April 2-3, 2005 (Terese Barta)

The Agility and Obedience Trials went well. Everyone that volunteered did a good job. It would have been nice to have more entries. There were a few other trials going on the same weekend which could of affected our entries. The idea was tossed out about having a two day agility show rather than a 1 day show. Another idea was possibly moving it to another time of the year if there were a lot of conflicts. Laurie suggested that we see how next year goes, since this was the only bad year for it, and then decide if we want to move it or split it up. Terese is willing to be the Trial Chair for it next year.

October AKC Obedience Trial (Kathe Carter)

We have the judges hired. The application is in but we haven't heard back yet.

Extra Utensils & Plates

If you need Utensils or Plates for upcoming club events, contact Terese, she has quite a few left over from the UKC show.
