Old Business

Weston Dog Park

We received a thank you note for our contribution to the dog park. Phyllis was there to check it out and said it was very nice & secure.

New Business

Class Coordinator

The question was raised whether we want the instructors contact information listed on the website for the public to contact . With more people visiting the website and registering online, more calls are being made to the individual instructors. Some instructors don't mind getting calls, but other may prefer the coordinator to handle the questions.

Financial Information

The question was raised whether we want our financial information on the newsletter that the public can view on the website or if it should only be available in the members section. Phyllis will remove the financial information prior to posting it on the webpage. The financial information will only be available in the Member's section. Laurie will ask VerJean to provide information on the Bonds for next meeting.

The meeting was adjourned.
Respectfully submitted,
Kris Punke, Secretary
